Our Members Speak Out

Hello Gyros,

As you can see by the photos in the newsletter, that those attending the Gyro Christmas party had a great time. We also had Gyros from other district clubs join us with Chris Snyder from the Canton club doing the officer installation. Steve Phillips will be the new Secretary for the club, replacing Dave Campbell who was in that position for many years. Tony Flowers will continue to serve as the Vice President and Richard Mault has agreed to remain our Treasurer. This will be my 4th term as your President and we are looking for a replacement.

This time of the year is a good time to be thinking about bringing in new members. Aging is not always fun. Aging with friends can be.

Our next meeting will be at Ralphies on Rt. 95 just east of the Hyundai Dealership, at 12:00 P.M. Thursday Jan. 6th. We have had gatherings there before. Please plan to attend. Men only.

Lew Lause
President
Marion Gyro Club

Sincerely,

Watch for Future Coming Events:

Featuring interesting stories, articles and people. Please contribute if you have any interesting stories to tell, comments etc., we will post it for all our club members. Also Website Articles!

Also remember our club PDFs can go interactive if website URL link is furnished to me depending on availability.

2021 Officers:

Lew Lause, *President*
Tony Flowers, *Vice President*
Dave Campbell, *Secretary*
Richard Mault, *Treasurer*

The Gyro Club of Marion meets the First Thursday of each month.

Annual Gyro Christmas Party Great Success & Fun for All

Fellow Gyrettes & Gyros!

The Annual Gyro Christmas Party Dinner and Installation of Officers was held on December the 4th. According to many who intended it was one of the best ever. For the ones that didn't make it and the ones that did, we have a wonderful photo preview taken by Lew of this marvelous fun dinner event for all of us to enjoy.

Plenty of Laughs

A BRIEF HISTORY... of Marion Ohio which began in 1822 along with some fun facts of our hometown

History (*More Marion History in Future Articles*)

Marion was laid out in 1822, and is named in honor of General [Francis Marion](#).^[10] It was incorporated as a village by the Legislature of Ohio in its 1829-1830 session. On March 15, 1830, Marion elected Nathan Peters as its first Mayor.^[11]

Marion was one of Ohio's major industrial centers until the 1970s. Products of the Marion Steam Shovel Company (later [Marion Power Shovel](#)) were used by contractors to build the [Panama Canal](#), the [Hoover Dam](#), and dug the [Holland Tunnel](#) under the [Hudson River](#). In 1911, 80% of the nation's steam shovel and heavy-duty earth moving equipment was manufactured in Marion, Ohio. [NASA](#) contracted with Marion Power Shovel to manufacture the crawler-transporters that moved the assembled [Saturn V](#) rockets (used for [Project Apollo](#)) to the launch pad.

The city is a rail center for [CSX](#), and [Norfolk Southern](#). Marion has long been a center of grain based (corn and popcorn) snack and other products given its close proximity to nearby growing regions in adjacent counties ([ConAgra](#) had a major presence in Marion for decades, and [Wyandot Snacks](#) has been active in Marion since the 1960s). [Whirlpool Corporation](#) is the largest employer in the city operating the largest clothes dryer manufacturing facility in the world.^[12] [Nucor Steel](#)'s facility in Marion is the largest producer of rebar and signpost in Ohio.
