Our Members Speak Out

HELLO MARION GYRO'S,

It is with great sadness that I report that John McDaniel has passed at his home in Florida. John was a member of Gyro for many years. Please remember him in your prayers.

It has been a rough couple of months. Back in January I tried to get the Marion Club together for a January club meeting and lunch at Ralphies. We had a total of 6 members show up. It was a little embarrassing since I told the restaurant that there would probably be at least 20 members. And then in February we had a Gyro meeting scheduled to be held at the VFW on Rt.4. We had to cancel that one because of the snow. So, the March 3 meeting will be held at the Marion Country Club. The meeting will start at 6:30 sharp. So come a little early so that you can socialize. **Remember this meeting will be held at the Marion Country Club.** We have been informed that the club can no longer offer us this meal for \$20.00 each anymore, but will have to charge us \$25.00 each.

Please join us March the third for a dinner meeting at 6:30. Come early to socialize. You can text me at 740-361-4213 or E-mail me at lewfoto@roadrunner.com

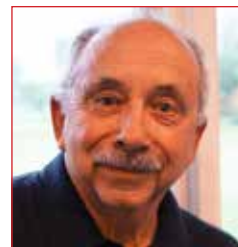

Sincerely,

- Steve Phillips, *Secretary*
- Richard Mault, *Treasurer*

The Gyro Club of Marion meets the First Thursday of each month.

MARION'S HISTORY... which began in 1822 continues

Marion Museums *(More Marion History in Future Articles)*

Heritage Hall & the Old Post Office The **Old U.S. Post Office (Marion, Ohio)** was built in 1910. It is listed on the **National Register of Historic Places (1990)**. The building is now used as the Heritage Hall museum of the Marion County Historical Society. The museum is dedicated to the preservation of **Marion County, Ohio** history.

Wyandot Popcorn Museum Heritage Hall is also home of the Wyandot Popcorn Museum, the "only museum in the world dedicated to popcorn and its associated memorabilia." Opened in 1982 prior to the second **Popcorn Festival**, the museum's collection consists of classic antique poppers made by **Cretors**, Dunbar, Kingery, Holcomb and Hoke, Long-Eakin, Excel, Manley, Burch, Star, Bartholomew, Stutsman and Advance. Not only is it one of only two Popcorn Museums in the world, it also represents the largest collection of restored popcorn antiques.

Warren G. Harding House A national presidential site, the **Harding Home** was the residence of **Warren G. Harding**, twenty-ninth president of the United States. Harding and his future wife, Florence, designed the Queen Anne Style house in 1890, a year before their marriage. They were married in the home and lived there for 30 years before his election to the presidency. Like **James A. Garfield**, an earlier U.S. president from Ohio, Harding conducted his election campaign mainly from the house's expansive front porch. During the 3 month front porch campaign, over 600,000 people traveled to the Harding Home to listen to the candidate speak. Harding paid \$1,000 to have a **Sears** catalog house built behind his home so newspaper reporters had workspace to type their stories. The press house is also open to the public. The site is being expanded to include a Presidential Center for Harding, expected to be opened in 2020, the 100th anniversary of Harding's election to the Presidency. ▶ The entire facility opened on 05/12/2021 | 1800-600-0894

Huber Machinery Museum This museum contains examples of Edward Huber's early steam and gasoline tractors and road-building equipment. **Huber Manufacturing** introduced a thresher in 1875, a steam traction engine in 1898, its first motor graders in the 1920s, a primitive hydraulic control in 1926, and the first Maintainer, a tractor-sized integral motor grader, in 1943. Other Huber products included wheel tractors, agricultural equipment, and three-wheel, tandem and pneumatic rollers.

Welcome to the Gyro Club of Marion, Ohio

Gyro's Goal is
"Fun for Fun's
Sake and Friendship for
Friendship's Sake!"

Fellow Gyro's,

We had a small but a feisty fun group at Ralphie's on January the 6th. All of us enjoyed a great lunch and lots of laughs to bring in the 2022 New Year. We had a Gyro February meeting scheduled to be held at the VFW on Rt. 4 that was cancelled because of the snow. For our next meeting Thursday, **March the 3rd at The Marion Country Club** please try to attend and let's have another wonderful dinner, friendship and the usual Gyro Club fun.

Sincerely,

Lew Gause
