Our Members Speak Out

Gyro Feb. 3 VFW Meeting,

If you missed the Ralphies lunch get together, you missed a really great time. With only 6 of us present there was a lot of joking and reminiscing about past times. The real joke of the day was that only six of us showed up.

Our second Gyro meeting of the New Year will be February the 3rd at the VFW on Rt. 4. The meeting will start at 6:30 so come early to visit and have a drink or two. I am told that we will be served pizza, subs, breadsticks and salad, buffet style. All for \$15.00. Please let me know if you will be able to attend. You can text me at 740-361-4213 or E-mail me at lewfoto@roadrunner.com

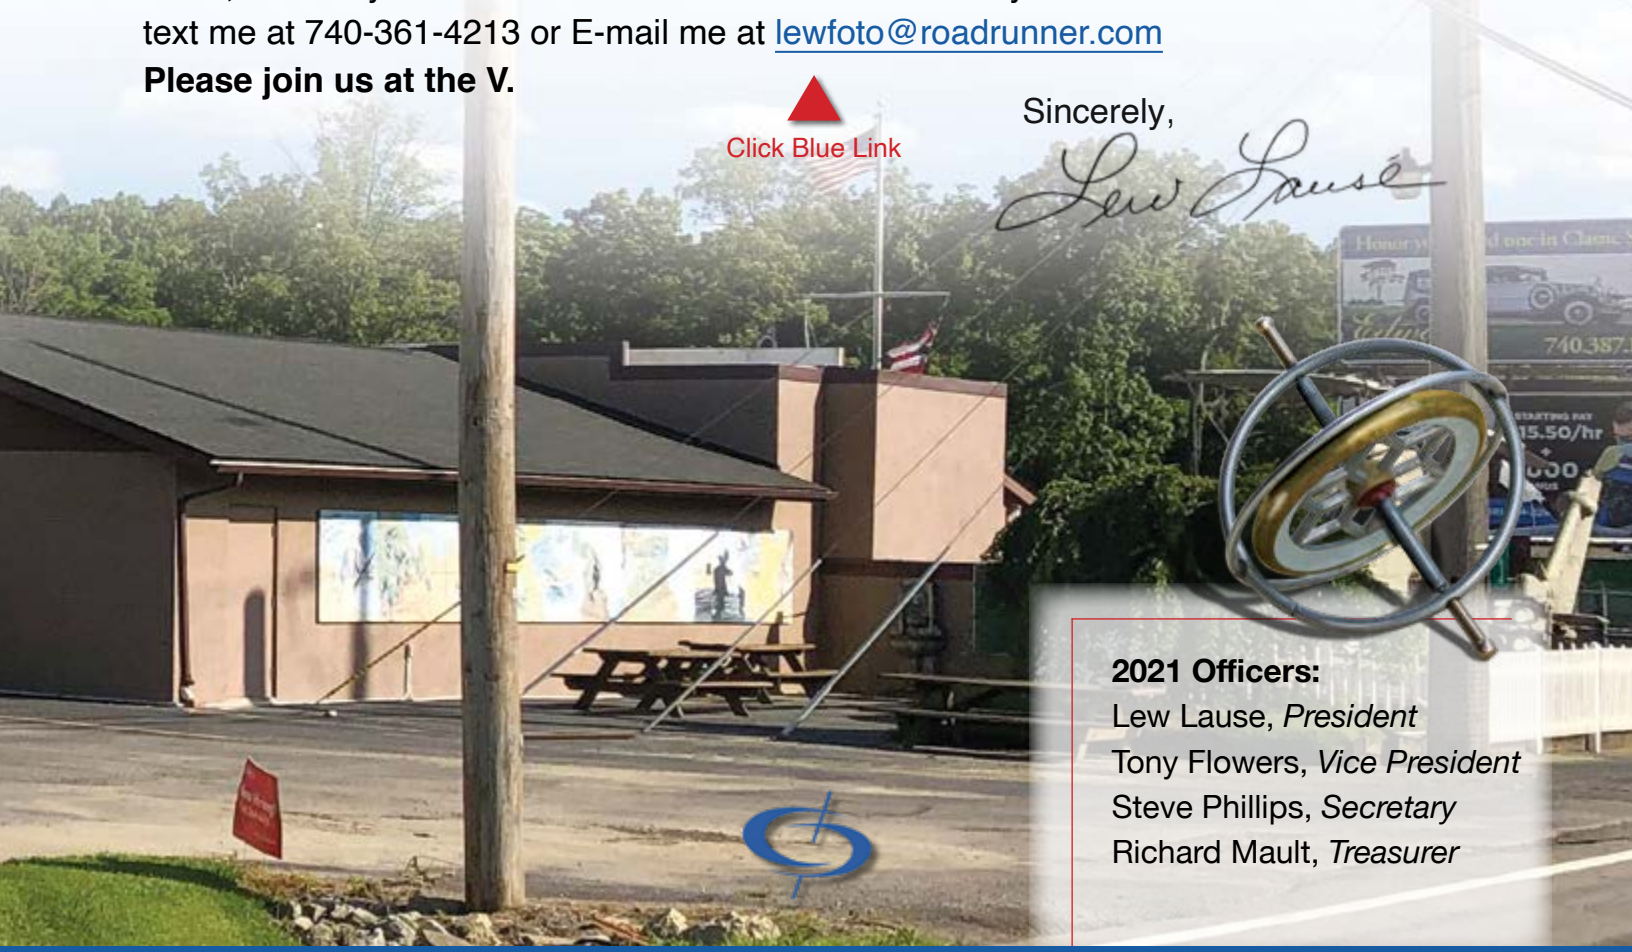

Please join us at the V.

Lew Lause
President
Marion Gyro Club

Sincerely,

2021 Officers:

- Lew Lause, *President*
- Tony Flowers, *Vice President*
- Steve Phillips, *Secretary*
- Richard Mault, *Treasurer*

The Gyro Club of Marion meets the First Thursday of each month.

A BRIEF HISTORY... of Marion Ohio which began in 1822 continues

Harding Home

Main article: [Harding Home](#) *(More Marion History in Future Articles)*

The Harding Home was the residence of Warren G. Harding, twenty-ninth president of the United States. Harding and his future wife, Florence, designed the Queen Anne Style house in 1890, a year before their marriage. They were married there and lived there for 30 years before his election to the presidency.

Harding Home Today

Harding Memorial (Harding Tomb)

Main article: [Harding Tomb](#)

The Harding Memorial, as it was called by thousands of people, including schoolchildren who donated to its construction fund, is the burial location (tomb) of the 29th President of the United States, [Warren G. Harding](#) and First Lady [Florence Kling Harding](#). Later referred to as the [Harding Tomb](#), it is located at the southeast corner of Vernon Heights Boulevard and Delaware Avenue. Construction began in 1926 and was finished in early 1927, the Greek temple structure is built of white marble. Designed by [Henry Hornbostel](#), Eric Fisher Wood and Edward Mellon, the structure is 103 feet in diameter and 53 feet in height. The open design honors the Hardings' wishes that they be buried outside.

Hotel Harding (The Harding Centre)

Constructed in 1924, the Hotel Harding was developed to provide lodging and fine dining for the expected post-White House visitors of President Harding. It was hoped by local entrepreneurs that the hotel would provide lodging for [Warren G. Harding](#)'s visitors who came to Marion after his presidency. It was located close to Union Station, the city's main rail station. The building is no longer used as a hotel. Renovated in 2005, the building is now an apartment style community for all, and as residence for OSUM students. Its lobby has been restored to much the same condition as the original.

Welcome to the Gyro Club of Marion, Ohio

Gyro's Goal is
"Fun for Fun's Sake
and Friendship for
Friendship's Sake!"

Fellow Gyro's,

We had a small but a feisty fun group at Ralphie's on January the 6th. All of us enjoyed a great lunch and lots of laughs to bring in the 2022 New Year. For our next meeting Thursday February the 3rd please try to attend and let's have another wonderful dinner, friendship and the usual Gyro Club fun and camaraderie at the VFW on Rt 4.

Sincerely,

Lew Lause
